Career Investigation

Instructions: Explore a career within the Education and Training Career Cluster and design a way to present the information to the class. The research and presentation should include the following information about a career in Education and Training:

- Abilities
- Education
- Interest code
- Job zone
- Knowledge
- Negative aspects of this career
- Physical conditions of the work site
- Positive aspects of this career

- Skills
- Tasks
- Tools and technology
- Wages and employment trends
- Work activities
- Work styles
- Work values

For your presentation, do not lecture or read your research paper. Make the learning experience as interactive as possible. Select one of the following presentation techniques:

Brochure or pamphlet	**Video clip**	**Illustrated story book**
True or false quiz game	**Skit or role-play scenarios**	**Jeopardy game**
Display or visual aids	**Prezi™**	**Other: _____** **Approved by teacher**

Your presentation will be assessed with the Career Investigation Rubric.
