## ChooseMyPlate - Vegetables

## What's in the Vegetable Group?

Any vegetable or 100% vegetable juice counts as a member of the Vegetable Group. Vegetables may be raw or cooked; fresh, frozen, canned, or dried/dehydrated; and may be whole, cut-up, or mashed.

List a few commonly eaten vegetables in each subgroup.

6.	12.

## **How Much is Needed?**

The amount of vegetables you need to eat depends on your age, sex, and level of physical activity.

	Daily Recommendation*	
Children	2-3 years old	
	4-8 years old	
Girls	9-13 years old	
	14-18 years old	
Boys	9-13 years old	
	14-18 years old	
Women	19-30 years old	
	31-50 years old	
	51+ years old	
Men	19-30 years old	
	31-50 years old	
	51+ years old	

<sup>\*</sup>These amounts are appropriate for individuals who get less than 30 minutes per day of moderate physical activity, beyond normal daily activities. Those who are more physically active may be able to consume more while staying within calorie needs.
