

## Governmental Protection and Laws for Consumers

---

You will work with a partner to create a Blendspace presentation. You will add supporting text to each resource. The Blendspace presentation must include:

- Name of legislation
- Year legislation became effective or was amended
- Impact of legislation on consumers
- Agency that enforces the legislation
- Resources relevant to the protection of consumers

**Your presentation must include a minimum of six media tools and resources such as:**

PowerPoint™

YouTube™ videos (not previously viewed on the lesson PowerPoint™)

Relevant website links with pertinent information

Text information uploaded from files

Your Blendspace presentation will be assessed with the appropriate rubric and presented to the class.
