

Guidelines for eBooks

Create an eBook (computer book) for your “kindergarten buddy” using Microsoft Office Templates™ for Word™, PowerPoint™ and Publisher™.

<http://office.microsoft.com/en-us/templates/?CTT=97>

eBooks should include:

- title page with a creative title appealing to a child
- four additional pages
- storyline short and focused
- graphics on each page - including title page
 - should be age appropriate and fit the story
 - Microsoft Office Images™ only (other images may be copyrighted)
- high frequency words on the majority of each page

- correct spelling and grammar
- animations may be added as long as they are not timed

Think like a kindergartener and make it fun!
