

How to Teach Texas Style Scenario

Scenario: You are a mentor teacher to new teachers. Your job is to teach the new teachers how to write instructional objectives. Locate five TEKS of your choice: elementary, middle school or high school. Then write a corresponding instructional objective for each TEKS. Explain the reason(s) for each objective written and how it relates to each corresponding TEKS. Be sure to follow the SMART and ABCD's methods for writing the instructional objectives.
