

Major Theorist Project

Directions: Research one theorist introduced in this lesson. You will create and present a 5- to 7-minute oral presentation to the class, using at least one prop. Presentation must include:

- Information about the theorist's life
- Simple explanation of the key points of the theory
- A conclusion that demonstrates at least one way in which this theory could be used in a classroom
- Explanation of the major theorist using real-world examples
- Use of theory to predict and explain individual and group behavior

Project will be assessed using the Oral Presentation Rubric.
