

Qualities of Effective Teachers

Identify your favorite teacher and individually list at least five qualities that make him or her an effective teacher. In small groups of four, list all of the qualities your group has identified. Each group will share their collaborated list with the class. As a class, develop a comprehensive list of "Qualities of Effective Teachers."

Favorite teacher: _____

List five qualities that make him or her an effective teacher.

1.
2.
3.
4.
5.

In groups of four, list the qualities of an effective teacher. Allow everyone to share their responses.
