

Stain Removal Activity

You will demonstrate proper techniques for removing stains. Use the supplies, equipment and information provided by the teacher for stain removal. After you have adequately removed the stains from the four swatches of fabric, place them on a piece of paper towel to dry overnight. Be sure to write your initials on each fabric swatch and on your paper towel. After the fabric swatches are dry, you will staple each one to this handout for assessment.

Ballpoint Pen Ink Stain	Lipstick Stain
Mustard Stain	Melted Wax Stain

1. Why is it important to remove stains as soon as they occur?

2. How do clothing care requirements influence your clothing selection?

3. How do your school, work and leisure activities affect clothing care procedures?
