Working with Senior Citizens Assessment

Think about your role interacting with senior citizens. Personally assess your thoughts and abilities by answering the following questions.

My relationship with my grandparents or elderly individuals is:

Great Good Fair Bad Non-existent

When around the elderly I am:

Comfortable Uncomfortable Undecided

One skill that I have that I could share with a senior citizen is:

One thing I think I could learn from a senior citizen is:

I prefer to:

Talk to someone face to face Talk to someone over the phone

In class I prefer to:

Create something with my hands Read Work on the computer

Something I can do to serve senior citizens is:
